Compliance with PPACA, as well as other benefits-related issues, may be complex. Because of the intricacies of many IRS, and other government agency, guidelines sometimes a professional, legal opinion is sought. In that event, FCG can make a referral to a legal firm that can research and provide the necessary legal opinion you seek.

Please contact Chris Fessenden at 865-805-3777 to obtain FCG's referral to legal counsel specializing in this area.
